SUBJECT: **Nominations for “Who’s Who Among Students in American Universities and Colleges”**

Each fall semester, the College is given the opportunity to nominate a number of talented *junior* and *senior* students for inclusion in the publication “Who’s Who Among Students in American Universities and Colleges.” As chairperson of the selection committee, I would like to invite you to actively participate in the nomination of juniors and seniors for this honor. In order to obtain the broadest base of nominees, junior and senior Canisius students have been invited to submit their own names in nomination this year. The selection committee is still hopeful that most faculty members and administrators will take the time to nominate any students they feel are deserving of this honor. Reconsideration of students not selected last year but highly recommended is appropriate. Attached is a list of those students currently in “Who’s Who Among Students in American Universities and Colleges”.

In choosing nominees, please bear in mind the three criteria, which will serve as a guide to the selection committee:

- Academic achievement as demonstrated by the maintenance of at least a 2.70 (B-) grade point average;
- Significant participation in at least one extra-curricular activity on campus and one off campus, or two on campus activities if nothing off campus;
- Evidence of exemplary character and leadership qualities.
- Additionally, this year scholarships will be awarded to three students selected for Who’s Who. Please see the enclosed attachment for more info.

Please include as much detail as possible in the nomination. It is highly encouraged to attach a copy of the student’s resume to the application. Nomination forms can be picked up and returned to the Office of Campus Programming & Leadership Development, SC-LL. You may also print out a nomination form by going to www.canisius.edu/campus_leader/whoswho.asp .
The deadline for nominations is December 9, 2011.
