

Test your money smarts.

WEEK 1

Test your money smarts

April is National Financial Literacy Month

QUESTION 1

True or False?

A penny that doubles in value every day for 30 days would be worth more than 5 million dollars.

[GET THE ANSWER](#)

Look for more questions throughout the month, and tips to help you keep your financial future on track.

Investment, insurance and annuity products are not FDIC insured, are not bank guaranteed, are not deposits, are not insured by any federal government agency, are not a condition to any banking service or activity, and may lose value.

Investment products may be subject to market and other risk factors. It is possible to lose money when investing. See the applicable product literature, or visit tiaa.org for details.

You should consider the investment objectives, risks, charges and expenses carefully before investing. Please call 877 518-9161 or go to tiaa.org/prospectuses for current product and fund prospectuses that contain this and other information. Please read the prospectuses carefully before investing.
