WEEK 2
Test your money smarts
April is National Financial Literacy Month

QUESTION 2
True or False?
The average life expectancy in the United States has risen by about four years since 1970.

GET THE ANSWER

Investment, insurance and annuity products are not FDIC insured, are not bank guaranteed, are not deposits, are not insured by any federal government agency, are not a condition to any banking service or activity, and may lose value.

Investment products may be subject to market and other risk factors. It is possible to lose money when investing in securities. See the applicable product literature, or visit tiaa.org for details.

You should consider the investment objectives, risks, charges and expenses carefully before investing. Please call 877 518-9161 or go to tiaa.org/prospectuses for current product and fund prospectuses that contain this and other information. Please read the prospectuses carefully before investing.
